

# Safe driving is rewarded

The Drive Recorder is the ideal addition for young drivers who take out car insurance from AXA. It records and evaluates their driving behavior. Those who drive safely and with due consideration are rewarded with a premium discount.

## The Drive Recorder at a glance

The Drive Recorder records your driving behavior and sends the following information to AXA and your personal customer portal:

- Speed
- Acceleration
- Kilometers driven
- Date and time
- Road type
- Location of the vehicle

## Your advantages

- You receive a 20% discount when taking out the insurance. Afterwards the discount is between 15% and 25%\*, depending on your driving behavior.
- You can view your trips and driving behavior on the personal customer portal.
- If the car is stolen, you can ask AXA to locate it for the police, which means you are more likely to get it back, and more quickly.
- After an accident, the events that caused it can be reconstructed quickly and objectively.

## The offer

- The Drive Recorder is available to young drivers between the ages of 18 and 25.
- The good driving behavior discount is granted on the following types of insurance: Liability, collision, partial accidental damage, and parking damage.
- Every week, your driving behavior is evaluated against that of all other clients who have a Drive Recorder installed. The discount for the following calendar year is calculated on September 30. Clients whose overall evaluation is in the top third get a 25% discount, those in the middle third get a 20% discount, and those in the lower third get a 15% discount.

### \* Example:

A Swiss driver from Berne, age 23, drives her VW Polo TSI 1.2 claims-free for five years.

Liability and full accidental damage coverage	CHF 1092.70
In the top third, 25% discount (CHF 273.20), net premium	<b>CHF 819.50</b>
In the middle third, 20% discount (CHF 218.55), net premium	<b>CHF 874.15</b>
In the lower third, 15% discount (CHF 163.90), net premium	<b>CHF 928.80</b>
