Currency conversion

Current currency:

CHF EUR USD

New currency:

CHF EUR USD

What percentage should be converted?

100 % _____ %

Conditions

Currency conversions are carried out by the first of each month following receipt of the request. The exchange rate serves as the conversion rate. If the AXA Life Ltd. Head Office in Winterthur receives the original of this application before 15:00 on a working day, the conversion rate of that day applies. Otherwise the conversion rate valid on the following working day applies. The conversion fee of CHF 250, or the counter value in the foreign currency, is invoiced separately.

Place and date
