Liability, accidental damage, and accident insurance /

Boat owners, keepers and operators bear responsibility for a loss, be it on land or on water. That's why AXA's liability, accidental damage, and accident insurance offers you comprehensive protection.

Liability

Liability insurance is mandatory by law for the following boats:

- Boats powered by an engine
- Sailboats with a sail area exceeding 15 m²
- Rental boats in general

The insurance covers injuries as well as property and animal damage caused by the boatkeeper or operator.

Flexibility: A higher deductible means a lower premium.

The insurance includes liability of:

- Boat owners, boat keepers and boat operators
- Crew members, support staff, and waterskiiers being towed

Benefits

- Guaranteed amount of CHF 3, 5 or 10 million
- Coverage of justified claims
- Defense against unjustified claims

The insurance also covers the following without supplement:

- Property being pulled or pushed
- Dinghies of up to and including 14.7 kW (20 hp)
- Buoys, including harnesses
- Trailers for carrying vessels
- Loss prevention costs

Accidental damage coverage

Although accidental damage coverage is voluntary, it is indispensable if you suffer a loss. You can choose between full or partial accidental damage coverage and determine your own scope of the insurance.

The insurance covers damage:

- To own boat
- To dinghies of up to and including 14.7 kW (20 hp)
- To trailers for carrying the vessel
- To legally prescribed extra equipment

Full accidental damage coverage

- From collision as the result of a sudden external occurrence (e.g. impact, running aground, taking on water, storm)
- From bent or broken masts and spars as well as damage to goods standing still or in motion (excluding damage during operation)
- From capsizing and sinking as well as all events that fall under partial accidental damage coverage.

Partial accidental damage insurance

Protects against the following risks, without deductible:

- Fire damage
- Natural forces (excl. damage from storm while sailing)
- Snowslide

Bonuses

Starters' bonus

When taking out a new policy, boat operators who have held a license for several years will receive one bonus level for each year of accident-free boating.

No-claims bonus

The premium for full accidental damage insurance will be reduced by one level on completion of each claim-free year. The lowest level is zero (45% of the annual premium). After each claim (collision), the premium increases by three levels.

Bonus protection

Bonus protection, which is insured without supplement, ensures that the current bonus level remains unchanged in the event of a claim (collision), i.e. it prevents an automatic loss of bonus. The contract, however, will be under observation for a two-year period. The bonus level will remain unchanged unless additional collision claims are filed during this period, in which case the level will rise.

Accident insurance

Boat users as well as waterskiiers being towed are protected against the financial consequences of injury, in particular sunstroke, heatstroke, hypothermia, freezing, drowning, etc.

The following can be included:

- Medical treatment costs
- Daily benefits / daily hospital benefits
- Disability and death lump sums with any amount of insurance you choose

Other benefits

- Rescue missions, recoveries, transportation of body in the event of death, up to CHF 100,000 per accident
- Search missions, up to CHF 10,000
- Cleaning or replacing damaged clothing, up to CHF 2,000
- No deductible
